The EEHSP Dads' Committee is the perfect place for you!

We are a committee within the EEHSP dedicated to raising the level of engagement between students and the

important men in their lives. We are fathers, grandfathers, step-fathers, uncles & other father figures who want to participate, organize, communicate, celebrate and/or volunteer in activities that help grow the Enfield and Erdenheim school communities.

We will provide updates on events and answer any questions you may have on both our Facebook Group and via email. Please

feel free to send us any suggestions, ideas, and input. We look forward to growing our network & creating positive experiences in our community.
