**Erdenheim
Library**

EEHSP MEETING & OPEN HOUSE

Enfield and Erdenheim Families! Please plan to attend our EEHSP meeting and open house this year to learn what the EEHSP has planned for this school year with events, fundraisers and school related activities. Come meet the EEHSP board, school principals, and EEHSP committee members. You'll also have an opportunity to learn how you can volunteer your time, to positively impact your student's academic elementary experience.
