Principal's report:

Enfield- color day is Friday, May 31. Flyers and emails were sent out informing families about Color Day. Lunches are flipped and grade level timing was communicated. Move up day will be occurring for Kindergarten and 1st grade, June 10th. Construction update: no final decision on the new name. Two options for use of original Enfield land was shared to the community: making multi-purpose fields, create two softball fields and multi-purpose field and keep gym and library as a possible rental space to the community. The price to keep the building as a rental space was double the amount of the first option as a tear down and fields.

Kindergarten class decided to donate their flea market proceeds will be donated to the new playground, \$340. Thanks was shared for such a successful carnival. The author/illustrator event was a big event.

Erdenheim- author/illustrator event was 'dynamite'. Presentation was adapted towards the grade levels; student audience was extremely attentive and engaged. Feedback stated that HC gave an entertaining performance. 3rd Grade Author night was the following evening. Health class started in 5th grade, this was communicated to families, classes were separated by gender. Positive feedback from the parents on the video and health class was shared. Parents were able to view the video beforehand in order to 'prep' and add to the conversation regarding growth and puberty. Friday, 5/31 is the wax museum from 11-12:00(5th grade). Celebration will occur next week and take place in the high school gymnasium. Parking may be an issue due to the construction. Move up day will occur by grade level days. Deb McFarland walk-a-thon and the end of the year pep rally will occur in June.
